

Poster Title: Evaluating Political Framing Effects on Large Language Models (LLMs)

Name Surname: Dilara Elif KUTLU

Matriculation Number: 1868317

Course / Module: Trends in Natural Language Processing (2. Parallelgruppe) (SoSe 2026)

Date: 30/09/2026

Declaration of Academic Integrity

I,

Last name, first name: **Kutlu, Dilara Elif**

Student ID number: **1868317**

hereby declare that I have written this thesis independently and have not used any sources or aids other than those specified. All direct or indirect content and ideas from external sources are acknowledged as references. I confirm that I have not previously submitted this thesis in part or whole for any other academic credit nor has the work been submitted to any other examination office and has not been published.

I confirm that I have only used text or other content-generating aids based on generative artificial intelligence (GenAI) in the manner permitted in writing by the examiner and that I have explicitly marked GenAI-generated passages.

When using GenAI tools, I have indicated these with their product name and listed them in full in an appendix.

I am fully responsible for any GenAI-generated passages and content I have used in my work.

Thesis title: **Evaluating Political Framing Effects on Large Language Models (LLMs)**

Programme: **English Linguistics - Trends in Natural Language Processing (2. Parallelgruppe) (SoSe 2026)**

Examiner: **Dr. phil. Simon Münker**

This is an achievement for a

☐ Bachelor's thesis

☐ Master's thesis

☒ other examination achievement for module (term paper etc.)
